

PTG News

Please don't feel overwhelmed with the several fundraisers that came home with you today. Keep in mind that there are several fundraising options throughout the year. Please choose which ones may work the best for your family. We don't expect everyone to support every fundraiser.

Dine & Donate and FUNdraisers

We will be sponsoring several community events throughout the year at various locations to help raise money for the school without costing families extra. Please help spread the word about these events so that we can draw from the whole community instead of just our school families. More information will come closer to each event. (All events are subject to change.)
