To qualify for parish subsidy, families must:

1. Be registered practicing Catholics - That means that families must attend and participate in the Sunday liturgies.
2. Use the church envelopes assigned to the family for the support and maintenance of the parish.
3. Be active in parish fund-raising functions.

Failure to follow these guidelines will result in tuition subsidy being denied and the family will be responsible for the full amount of non-subsidized tuition. Families not registered with Saint Gregory Parish must get a Pastor Verification Form signed by their Pastor.

All families must register in the FACTS tuition program no later than **July 1**. The first tuition payment must be made by your selected payment date in August. All tuition must be paid in full by the selected payment date in May. Information about the FACTS program can be found on the other side of this page.

Information on tuition aide through the Scholastic Opportunity Scholarship (SOS) Fund will be made available online. We usually have this information by the first week in February. Please continue to watch for this information to be posted on the site. Parish aide will not be granted in the fall to any family who does not apply for aide through the SOS program first.

If a student withdraws or is expelled, no refunds will be given. Parents are responsible for any damage to books or school property and will be billed accordingly. **All families are expected to adhere to the expectations set forth in the St. Gregory School Family Share Program.**

FACTS Tuition Program:

St. Gregory School is partnered with FACTS Management Company to help us manage our tuition payment program and financial aid assessment. This program has proven to be more efficient and financially stable for St. Gregory School as well as providing convenience to our school families.

Payment Dates: You may choose either the 5th, 10th or 15th of each month as your payment date.

Convenience and Security: Along with multiple payment plan options, your payments are processed securely through a bank-to-bank transaction.

Payment Plan Options: Automatic payments can be made from a checking or savings account or from a variety of credit cards, if applicable. Keep in mind that when paying by credit card a nominal convenience fee will be added. You can choose to have an invoice mailed to your home so you can pay by check or an invoice can be emailed for online payment.

Payment Fees: Sign-on fees have been established through FACTS to defray the cost of the program for St. Gregory School.

- There is no fee for in-full payment if paid by September 1.
- There is a \$10 per family annual charge for a twice/year payment plan. This plan is divided 50/50 with payments in August and February.
- There is a \$45 per family annual charge for the monthly payment plan. This plan begins in August and is divided over a 10-month period.

Peace of Mind Insurance: FACTS offers this optional benefit for an additional fee. In the event of death of the responsible party or spouse, the remaining tuition balance owed for the current school year is paid to the school.

Consumer Account: You may check your personal account or make payments online from the convenience of your home or office anytime.

It is important that St. Gregory School maintains a balance between its educational mission and financial stability and this is why we have chosen to work with the FACTS Management Company. Keep in mind that St. Gregory School still maintains the decision making. We will continue to work with families should special circumstances or hardship cases arise during the school year. If your family receives any type of financial aid, that amount will be incorporated into your payment schedule once the money is made available to us.

New families can register online for the FACTS Online Payment Plan beginning June 1st and MUST complete the process by JULY 1st.

Returning families wishing to make any changes to their payment date, method of payment, bank account, etc. this MUST be done by JULY 1st.

Go to <https://online.factsmgt.com/signin/3N0GP> and you will find the step-by-step instructions from start to finish. When you are asked to provide an "optional" Family ID, this is actually NOT an option and this is a code that you create; it is not assigned. You can use both letters and/or numbers for this. If you have any questions there is a link on the school website that will explain everything.

We want to thank you for choosing St. Gregory School. It is important to us that we work together in order to provide the highest quality of education to your child/ren. We appreciate all our families and what they do for St. Gregory School as we remain committed to our mission.
