

PTG News

As you all know, we have been forced to cancel many of the regular PTG events that help to raise money for our school; the fish fry dinners, the auction, the super bingos, the great pumpkin race, and so many more. It is more critical than ever that every family does what they can to help us raise the necessary funds for our school. It is required that 10% of our operating costs must come from fundraising. Our operating budget is around 1 million dollars. That means that we must raise \$100,000 through fundraising each year. That can be easily reached if every family does their part. Here are just a few ways you can help:
